Semester legal tracker review — October 7, 2026

JavaScript syntax and five deadline unit tests passed; invalid-date rejection passed

Five Python deadline tests also passed. No interactive browser test or deployment performed. Baseline is 25 unassessed milestones, not an export of browser-local edits.

Deadline tests

- Transfer 2026-10-07; raw day 30 2026-11-06; adjusted candidate 2026-11-06; supplied holidays [].
- Transfer 2026-10-01; raw day 30 2026-10-31; adjusted candidate 2026-11-02; supplied holidays [].
- Transfer 2026-10-02; raw day 30 2026-11-01; adjusted candidate 2026-11-02; supplied holidays [].
- Transfer 2026-12-02; raw day 30 2027-01-01; adjusted candidate 2027-01-04; supplied holidays ['2027-01-01'].
- Transfer 2028-02-01; raw day 30 2028-03-02; adjusted candidate 2028-03-02; supplied holidays [].

The holiday test verifies supplied-date handling, not a complete legally applicable holiday calendar. No special filing relief was assessed.

ToS

16 review areas remain unverified. No actual legal entity, customer terms, provider settings or liability decision supplied.

Diligence

- Baseline — not assessed: 0/8; Unknown: no evidence supplied; do not assert readiness.
- Hypothetical — two critical blockers: 6/8; Blocked despite 75% checklist coverage.
- Hypothetical — evidence complete: 8/8; Ready for counsel/investor review only; not closing authorization.
